

MAKARIOS

LOVE. EDUCATE. EMPOWER.

Family Empowerment

OUR VISION

To see families transformed by the gospel of Jesus Christ and to see parents become ethical leaders capable of influencing their communities.

OUR MISSION

We love, educate, and empower.

Makarios' Family Empowerment ministry serves and ministers to families whose children are students in the Makarios School. The ministry plays an integral role in the school's enrollment process, emphasizing the importance of parental involvement in their children's education. We strive to build deep relationships with families by spending time in their homes, getting to know them, encouraging them, praying for them and sharing God's Word with them.

OUR FOCUS
